Rosette holds to cylinder
and drilling
Rosette klemmt auf dem Zylinder
und in der Bohrung

Rosette holds to cylinder.
Rosette klemmt auf dem Zylinder.

module assembly / Baugruppenmontage

Care advice / Pflegehinweis

Care advice:

LEHMANN locks and fittings are manufactured to DIN EN 16014. Operating cycles and service life of cylinder lock systems for office furniture meet the requirements specified in DIN. All mechanical components – cylinder and key in particular – are subject to mechanical wear from daily use. To prolong their service life and maintain optimum action, we recommend treating them with Interfon Fin Super after every 5000 locking cycles or once a year with a Teflon-based synthetic lubricant, eg. Interfon Fin Super.

Pflegehinweis:

LEHMANN Schlösser und Beschläge werden nach DIN EN 16014 gefertigt. Bedienungszyklen und Lebensdauer der Zylinder-Büromöbelschloss-Systeme entsprechen den Anforderungen der DIN. Alle mechanischen Bauteile, speziell Zylinder und Schlüssel, unterliegen im täglichen Gebrauch einem mechanischen Verschleiß. Zur Optimierung der Lebensdauer und Erhaltung der optimalen Laufeigenschaften empfehlen wir alle 5000 Schließzyklen oder einmal jährlich die Pflege mit einem synthetischen Trockenschmiermittel mit Teflon®, z. B. Interfon Fin Super.

Flexy Key

... the perfect concept!

Outstanding function.

A quick click and the key of the **Flexy Key** disappears inside the flat key cover. Ideal on every key ring.

Flexy Key, pleasant to hold and functional in the furniture.

Funktion die überzeugt.

Eine kurzer Klick und der Schlüssel des **Flexy Keys** versteckt sich im flachen Griff. Einfach gut am Schlüsselbund.

Flexy Key, grifffreundlich und funktional am Möbel.

Spare key inserted in flexy key / Zweitschlüssel in Kippschlüssel eingesteckt

As variable as the name.

The Opaline collection in timelessly elegant design leaves nothing to be desired. In combination with opalescent surface and pleasantly soft logopads, the possibilities for design are endless without affecting furniture design.

So variabel wie der Name.

Die Opaline Collection im zeitlos eleganten Design lässt keine Wünsche offen. In Kombination mit der opalen Oberfläche und den angenehm weichen Logopads ist die Gestaltungsvielfalt grenzenlos ohne das Möbeldesign zu beeinträchtigen.

Pressed logo on request.
Gegossene Logos auf Anfrage möglich.

Pads are UV resistant and weather proof.
Die Pads sind UV und witterungsbeständig.

Anti-tilt locking system Sperrendes Verschluss-System

The perfect System Solution for Lateral File Cabinets,
Tool Drawer and Workshop Cabinet Units

- 1. Chips secured by sprung-loaded tension
- 2. A precise 45 degree rotation permits opening of only one drawer at a time
- 3. Secure closing for up to 100kg pull-force
- 4. Flexible and easy installation within pre-determined pitch
- 5. Security through optimized locking geometry

Die perfekte Systemlösung für
Kartei-, Werkzeug- und Betriebsschränke

- 1. Unter federleichter Spannung reihen sich die Plättchen aneinander
- 2. Eine präzise 45°-Drehung gibt immer nur einen Auszug gleichzeitig frei
- 3. Es haben bis zu 100 kg sicheren halt
- 4. Das einfache Aneinanderreihen im vorgegebenen Raster ermöglicht einen flexiblen und komfortablen Einbau
- 5. Die raffinierte Sperrergeometrie reguliert das Gliedersystem

- Lösungen für alle Möbelarten (Container, Karteischränke, Jalousieschränke)

**General terms and conditions
Allgemeine Geschäftsbedingungen**

14

Acceptance of terms and conditions of sale

All offers and agreements shall be based exclusively on the following terms and conditions. Buyer's differing terms and conditions not expressly accepted in writing shall not be binding. All offers made by LEHMANN Vertriebsgesellschaft mbH & Co. KG (referred to below in short as LEHMANN) are without obligation in principle unless expressly otherwise agreed.

1. Placing of order

- 1.1. The decisive factor for the conclusion of a contract of sale and the scope of the resulting supply commitments shall be corresponding written expressions of will by both parties to the contract. Verbal collateral agreements shall not be made. If persons not authorised to represent LEHMANN conclude agreements differing from or supplementary to this contract, including waiver of this written form clause, these shall be valid only if confirmed in writing by LEHMANN. Otherwise in case of doubt, changes and additions shall be binding only when confirmed in writing.
- 1.2. The customer shall be liable for the correctness of the documents and data it supplies, such as drawings, templates and samples.
- 1.3. The data, drawings and specifications given in catalogues, price lists or offer documents are approximate values customary in the industry unless expressly designated as binding in the acknowledgment.

2. Time of delivery and delays

- 2.1. Periods of delivery and deadlines shall be deemed only approximate unless we have expressly promised in writing that they shall be binding. In the case of sales ex works the periods of delivery and deadlines shall be deemed met if the goods leave the factory/warehouse within the period of delivery or by the deadline. They shall likewise be deemed met upon notification of readiness for shipment if the goods cannot be dispatched on time through no fault of ours. In the case of call-off transactions and/or transactions where the buyer arranges collection of the goods purchased, making ready of the goods shall be deemed delivery.
- 2.2. The periods shall be extended appropriately if failure to meet periods of delivery is due to force majeure, e.g. mobilisation, war, riot or similar events such as strike or lockout. In such cases LEHMANN shall also be entitled to withdraw in full or in part from the unfulfilled part of the contract.
- 2.3. Compensation claims by the buyer for delayed delivery and compensation claims in lieu of performance shall be excluded in all cases of delayed delivery including after expiry of a time set by LEHMANN. This shall not apply to mandatory liability in cases of intent, gross negligence or injury to life, limb or health. The buyer may withdraw from the contract as provided by law only if LEHMANN is responsible for the delayed delivery and the buyer has set an appropriate extension of term of at least 4 weeks. The above provisions shall not imply a change to the burden of proof to the buyer's detriment.

3. Pricing

Unless expressly otherwise agreed, prices are ex works, exclusive of value added tax at the rate in force and exclusive of packing, carriage, postage and insurance. The prices at the date of acknowledgment shall apply in principle. If a significant change occurs to certain cost factors, such as wages, input material or carriage, the agreed price may be adjusted appropriately according to the impact of the relevant cost factors unless there are mandatory legal provisions preventing this. Small orders up to a net goods value of EUR 250 are subject to an EUR 25 handling charge.

In principle, goods will be delivered only in standard packs. We reserve the right to increase orders according to our pack sizes. Packaging is not taken back. Unless otherwise agreed, LEHMANN will choose the type of packing.

4. Terms of payment

- 4.1. All invoices are payable net within 30 days from the invoice date. Discount of 3% will be allowed for payment within 10 days provided that the buyer is not in default of settlement of accounts receivable.
- 4.2. Expenses such as bank charges levied upon remittance of the invoice value and the expenses of presentation of the shipping documents shall be to the buyer's account.
- 4.3. Cheques and bills will be discounted only on account of payment. Credit notes in respect of bills and cheques are issued subject to receipt of the expenses with the value date as at the date when the countervalue is at our disposal. Differences between the calculated rate and the official rate shall likewise be to the buyer's account. The risk of currency losses shall be borne by the buyer.
- 4.4. If the period of payment according to 4.1. is exceeded LEHMANN shall be entitled to charge interest for the year in the amount of 5 percentage points above the base interest rate in accordance with section 1 of the Base Interest Rates Transitional Act.
- 4.5. Rights of retention or offset are permissible only against claims that are undisputed or legally enforceable.
- 4.6. If the buyer is in arrears with a part payment LEHMANN may make the whole outstanding amount due immediately and withdraw from the contract and/or demand damages after first setting an appropriate time for payment or subsequent performance without result unless the setting of a time may be dispensed with according to provisions of law. If an invoice amount due is not paid despite two reminders, all outstanding invoice amounts shall become due immediately.

5. Dispatch and passing of risk

The risk passes to the buyer, including in the case of delivery carriage prepaid, when the goods are handed over to the person in charge of shipping or loaded on to a vehicle by LEHMANN. LEHMANN shall be entitled but not obliged to insure deliveries in the buyer's name and for the buyer's account. In the case of damage in transit the buyer shall immediately ascertain the facts with the carrier or the appropriate bodies and inform LEHMANN.

6. Making to order

Unless otherwise agreed the goods will be delivered in the shipping units indicated in the order documents. Smaller order quantities are subject to special agreement. Part deliveries of a reasonable volume are permissible. In the case of making to order the unit delivery may be subject to a shortfall or excess of up to 10%.

General terms and conditions

7. Industrial property rights

LEHMANN retains ownership and copyright in illustrations, drawings and other documents. They shall not be made accessible to third parties without LEHMANN's consent and they shall be returned to LEHMANN immediately on request. If the making of goods according to the buyer's drawings, samples or other data infringes third party industrial property rights, the buyer shall indemnify LEHMANN from all claims.

8. Retention of title

- 8.1. Goods supplied shall remain our property until satisfaction of all our claims arising from the entire business relationship. If the realisable value of all our security rights exceeds the amount of all the secured claims by more than 10% we will release a corresponding part of the security rights upon request by the buyer.
- 8.2. The buyer is prohibited from pledging goods subject to retention of title or assigning them as security. The buyer is permitted to dispose of the reserved goods in the ordinary course of business. The buyer hereby assigns to us all its claims against third parties arising from resale of the reserved goods. The buyer is authorised to collect such claims even after assignment. Authority to collect may be revoked at any time.
- 8.3. Processing or conversion of the object of sale by the buyer is always undertaken on LEHMANN's behalf. If the object of sale is processed with other objects not belonging to us we shall acquire joint ownership of the new thing in proportion to the value of the object of sale to the other objects processed at the time of processing.
- 8.4. The buyer shall notify us immediately in the case of seizures, attachments or other third party disposals or encroachments.
- 8.5. If the buyer is in breach of its obligations, in particular in case of delay in payment, we shall be entitled to withdraw from the contract and take back the goods upon expiry without result of an appropriate time allowed for the buyer to perform, notwithstanding the legal provisions relating to the dispensability of setting a time. The buyer shall be obliged to surrender the goods.

9. Defects of quality

We shall be liable as follows for defects of quality:

- 9.1. All parts or deliveries presenting a defect of quality within the period of limitation shall be repaired, re-delivered or re-manufactured at our option free of charge if the cause predates the passing of risk.
- 9.2. Claims for defects shall become statute-barred in 12 months. This shall not apply in cases of injury to life, limb or health, intentional or grossly negligent breach of duty or concealment of a defect with intent to deceive.
- 9.3. The buyer shall notify defects of quality without delay and within 8 days at the latest following receipt of the objects sold.
- 9.4. In case of complaints about defects the buyer's payments may be retained to an extent in an appropriate proportion to the defects of quality concerned. The buyer may retain payments only if a complaint is made about defects the justification for which is in no doubt. If a complaint about defects is unjustifiably made we shall be entitled to demand reimbursement of our expenses by the buyer.
- 9.5. LEHMANN shall first of all be given an opportunity of subsequent performance within an appropriate time. If subsequent performance is unsuccessful the buyer may withdraw from the contract or reduce the payment, notwithstanding any compensation claims in accordance with clause 10.
- 9.6. Warranty claims shall not apply in the case of minor deviation from the agreed quality, minor impairment of usability, natural wear and tear or damage occurring after passing of risk due to incorrect or negligent treatment, excessive stress, unsuitable operating consumables or special external influences not presupposed in the contract. If improper modifications or repairs are carried out by the buyer or third parties, no warranty claims shall apply to these or to the consequences ensuing.
- 9.7. Buyer's claims for expenses necessary for the purpose of subsequent performance, such as transport, travel, labour and material expenses, shall be excluded if the expenses are increased by subsequently taking the object delivered to a place other than the buyer's establishment unless such transfer is in accordance with its intended use.
- 9.8. The buyer shall be entitled to claim under a right of recourse against the seller in accordance with section 478 of the German Civil Code only if the buyer has not made any agreements with its customer that go beyond the statutory warranty claims. 9.9. Compensation claims shall also be subject to clause 10. Claims by the buyer further or other than as provided for here against LEHMANN and its agents due to a defect shall be excluded.

10. General limitations of liability

We shall not be liable for losses caused by us, our legal representatives or agents through ordinary negligence. This applies regardless of the legal nature of the claim made, in particular arising from default, other breach of duty or tort. This limitation of liability shall not apply to damage due to injury to life, limb or health or to breach of essential contractual obligations.

11. Place of performance and jurisdiction

The place of performance for the obligations arising from transactions, with respect to both delivery and payment, shall be Minden, Westphalia. The place of jurisdiction for both parties shall be Minden, Westphalia irrespective of the amount in dispute.

12. Choice of law

German substantive law shall apply exclusively to legal relations in connection with this contract.

13. Partial ineffectiveness

Should any of the above clauses be or become ineffective, the ineffective provisions shall be replaced by provisions coming as close as possible to the economic purpose of the ineffective provisions, taking appropriate account of both parties' interests.

Stand September 2003

Standards and guidelines

DIN EN 16014

Hardware for furniture – Furniture locks – Requirements and testing

LEHMANN hardware for furniture is produced in accordance with DIN EN 16014 (Hardware for furniture - Strength and durability of locking mechanisms) by the DIN Woodworking and Furniture Standards Committee (NHM).

LEHMANN hardware for furniture is monitored internally in compliance with DIN EN 16014.

RoHS (EU Directive 2002/95/EC dated 27.1.2003)

The materials and products supplied by LEHMANN meet with the RoHS requirements (EU Directive 2002/95/EC dated 27.1.2003).

They do not contain the following substances, or in no more than the maximum concentration permitted according to the RoHS Directive:

- Lead, lead compounds and alloys
- Cadmium, cadmium compounds and alloys
- Mercury, mercury compounds and alloys
- Hexavalent chromium
- Polybrominated biphenyl (PBB) and polybrominated diphenylether (PBDE)

This confirmation also applies for materials and products to be supplied in future, according to the present status as of September 2012 and current requirements.

REACH Regulation (EC) No. 1907/2006

REACH stands for Registration, Evaluation, Authorization and Restriction of Chemicals. The Regulation came into force throughout the European Union on 1 June 2007.

As a manufacturer of locks and fittings, LEHMANN is a downstream user as defined by the REACH Regulation (EC) No. 1907/2006. The manufacturers and importers, i.e. our suppliers, are responsible for pre-registration and subsequent registration of the raw materials and substances which we use.

As a downstream user, we fully meet with our obligation to communicate in the supply chain. Safety data sheets are available for the substances which we use. A REACH officer has been appointed.

Polycyclic aromatic hydrocarbons (PAH)

Articles and parts supplied by our company for which PAH could be a factor of relevance in the dye concentrates used meet with the requirements pursuant to

- the Hazardous Substances Ordinance (GefStoffV), Annex IV No. 28 (Polycyclic aromatic hydrocarbons PAH), dated 23.12.2004
- the regulations governing award of the GS (Safety Tested) mark as from 1.4.2008 (min. category 2).

Anerkennung der Lieferbedingungen

Allen Angeboten und Vereinbarungen liegen ausschließlich nachfolgende Bedingungen zugrunde; abweichende Bedingungen des Käufers, die nicht ausdrücklich schriftlich anerkannt werden, sind nicht verbindlich. Alle Angebote der LEHMANN Vertriebsgesellschaft mbH & Co. KG (im folgenden kurz LEHMANN genannt) sind grundsätzlich freibleibend, es sei denn, eine andere Vereinbarung ist ausdrücklich zugrunde gelegt.

1. Auftragserteilung

- 1.1. Maßgebend für den Abschluss eines Kaufvertrages und den Umfang der sich daraus ergebenden Lieferverpflichtungen ist die Abgabe entsprechender schriftlicher Willenserklärungen beider Vertragsparteien. Mündliche Nebenabreden sind nicht getroffen. Sofern von Personen, die für LEHMANN nicht zur Vertretung bevollmächtigt sind, von diesem Vertrag abweichende oder ihn ergänzende Vereinbarungen getroffen werden, wozu auch die Aufhebung dieser Schriftformklausel gehört, bedürfen sie zu ihrer Wirksamkeit der schriftlichen Bestätigung durch LEHMANN. Auch sonst sind im Zweifel Änderungen und Ergänzungen erst dann verbindlich, wenn sie schriftlich bestätigt sind.
- 1.2. Der Besteller haftet für die Richtigkeit der von ihm zu liefernden Unterlagen, wie insbesondere Zeichnungen, Lehren und Muster.
- 1.3. Die in Katalogen, Preislisten oder den zum Angebot gehörenden Unterlagen enthaltenen Angaben, Zeichnungen und Leistungsbeschreibungen sind branchenübliche Näherungswerte, es sei denn, dass sie in der Auftragsbestätigung ausdrücklich als verbindlich bezeichnet werden.

2. Lieferzeit und Lieferverzögerungen

- 2.1. Lieferfristen und Termine gelten nur annähernd, es sei denn, dass wir eine schriftliche Zusage ausdrücklich als verbindlich gegeben haben. Bei Verkäufen ab Werk sind die Lieferfristen und Termine eingehalten, wenn die Ware innerhalb der Lieferfrist oder zu dem Liefertermin das Werk/Lager verlässt, sie gelten ferner mit der Meldung der Versandbereitschaft als eingehalten, wenn die Ware ohne unser Verschulden nicht rechtzeitig abgesandt werden kann. Bei Abrufgeschäften und/oder bei Geschäften, bei denen der Käufer die Abholung der gekauften Ware veranlasst, gilt die Bereitstellung der Ware als Lieferung.
- 2.2. Ist die Nichteinhaltung von Lieferfristen auf höhere Gewalt, z. B. Mobilmachung, Krieg, Aufruhr oder ähnliche Ereignisse, z. B. Streik, Aussperrung zurückzuführen, verlängern sich diese Fristen angemessen. In diesen Fällen ist LEHMANN auch berechtigt, wegen des nicht erfüllten Teiles vom Vertrag ganz oder teilweise zurückzutreten.
- 2.3. Sowohl Schadensersatzansprüche des Käufers wegen Verzögerung der Lieferung als auch Schadensersatzansprüche statt der Leistung sind in allen Fällen verzögerter Lieferung, auch nach Ablauf einer LEHMANN gesetzten Frist ausgeschlossen. Dies gilt nicht, soweit in Fällen des Vorsatzes, der groben Fahrlässigkeit oder wegen der Verletzung des Lebens, des Körpers oder der Gesundheit zwingend gehaftet wird. Vom Vertrag kann der Käufer im Rahmen der gesetzlichen Bestimmungen nur zurücktreten, soweit die Verzögerung der Lieferung von LEHMANN zu vertreten ist und der Käufer eine angemessene Nachfrist von mindestens 4 Wochen gesetzt hat. Eine Änderung der Beweislast zum Nachteil des Käufers ist mit den vorstehenden Regelungen nicht verbunden.

3. Preisstellung

Die Preise verstehen sich, soweit nichts anderes ausdrücklich vereinbart ist, zuzüglich der jeweils gültigen Mehrwertsteuer ab Werk und schließen Verpackungen, Fracht, Porto und Versicherung nicht ein. Es gelten grundsätzlich die Preise am Tage der Auftragsbestätigung. Tritt eine wesentliche Änderung bestimmter Kostenfaktoren, wie insbesondere der Kosten für Löhne, Vormaterial oder Fracht ein, so kann der vereinbarte Preis entsprechend dem Einfluss der maßgebenden Kostenfaktoren in angemessenem Umfang angepasst werden, sofern nicht zwingende gesetzliche Vorschriften entgegenstehen. Für Kleinaufträge bis zu einem Nettowarewert von EURO 250,00 berechnen wir einen Bearbeitungszuschlag von EURO 25,00. Lieferung von Artikeln erfolgt grundsätzlich nur in Standardpackungen. Wir behalten uns vor, Bestellungen entsprechend unseren Verpackungsgrößen zu erhöhen. Verpackung wird nicht zurückgenommen. Sofern nichts anderes vereinbart ist, wählt LEHMANN die Verpackungsart.

4. Zahlungsbedingungen

- 4.1. Alle Rechnungen sind innerhalb von 30 Tagen ab Rechnungsdatum ohne Abzug zahlbar. Bei Zahlung innerhalb von 10 Tagen werden, soweit der Käufer nicht mit der Begleichung von Warenforderungen im Verzug ist, 3 % Skonto gewährt.
- 4.2. Spesen, wie z. B. bei der Überweisung des Rechnungswertes anfallende Bankspesen sowie die Spesen bei Einlösung der Verschiffungsdokumente, gehen zu Lasten des Käufers.
- 4.3. Die Hereinnahme von Schecks und Wechseln erfolgt nur zahlungshalber. Gutschriften über Wechsel und Schecks erfolgen vorbehaltlich des Eingangs der Auslagen mit Wertstellung des Tages, an dem wir über den Gegenwert verfügen können. Differenzen zwischen dem berechneten Kurs und dem amtlichen Kurs gehen ebenfalls zu Lasten des Käufers. Die Gefahr von Währungsverlusten trägt der Käufer.
- 4.4. Bei Überschreitung der Zahlungsfrist nach 4.1. ist LEHMANN berechtigt, für das Jahr Zinsen in Höhe von 5 Prozentpunkten über dem Basiszinssatz gem. § 1 Diskontsatz-Überleitungs-Gesetz zu berechnen.
- 4.5. Zurückbehaltungsrechte oder die Aufrechnung sind nur zulässig mit unbestrittenen oder rechtskräftig festgestellten Forderungen.
- 4.6. Kommt der Käufer mit einer Teilleistung in Rückstand, so kann LEHMANN die gesamte Restforderung sofort fällig stellen und vom Vertrag zurücktreten und/oder Schadensersatz verlangen, nachdem sie zuvor erfolglos eine angemessene Frist zur Leistung oder Nacherfüllung bestimmt hat, soweit die Fristsetzung nicht nach gesetzlichen Bestimmungen entbehrlich ist. Wird ein fälliger Rechnungsbetrag trotz zweimaliger Mahnung nicht bezahlt, werden alle noch offenen Rechnungsbeträge sofort fällig.

5. Versand und Gefahrübergang

Die Gefahr geht - auch bei frachtfreier Lieferung - auf den Käufer über, wenn die Ware dem Versandbeauftragten übergeben oder auf ein Fahrzeug von LEHMANN verladen worden ist. LEHMANN ist berechtigt, aber nicht verpflichtet, Lieferungen im Namen und für Rechnung des Käufers zu versichern. Bei Transportschäden hat der Käufer unverzüglich eine Tatbestandsaufnahme bei dem Frachtführer bzw. bei den zuständigen Stellen zu veranlassen und LEHMANN zu benachrichtigen.

6. Sonderanfertigung

Die Lieferung erfolgt mangels abweichender Vereinbarung in den aus den Auftragsunterlagen ersichtlichen Versandeinheiten. Niedrigere Bestellmengen bedürfen einer Sondervereinbarung. Teillieferungen in zumutbarem Umfang sind zulässig. Werden Sonderanfertigungen bestellt, so darf die stückzahlmäßige Lieferung bis 10 % unter- oder überschritten werden.

Allgemeine Geschäftsbedingungen

7. Schutzrechte

An Abbildungen, Zeichnungen und sonstigen Unterlagen behält sich LEHMANN Eigentums- und Urheberrecht vor, sie dürfen ohne Einwilligung von LEHMANN Dritten nicht zugänglich gemacht werden und sind auf Verlangen unverzüglich an LEHMANN zurückzusenden. Werden bei der Anfertigung der Ware nach Zeichnungen, Mustern oder sonstigen Angaben des Käufers Schutzrechte Dritter verletzt, so stellt dieser LEHMANN von sämtlichen Ansprüchen frei.

8. Eigentumsvorbehalt

- 8.1. Die gelieferten Waren bleiben unser Eigentum bis zur Erfüllung aller unserer Ansprüche aus der gesamten Geschäftsverbindung. Soweit der realisierbare Wert aller Sicherungsrechte, die uns zustehen, die Höhe aller gesicherten Ansprüche um mehr als 10 % übersteigt, werden wir auf Wunsch des Käufers einen entsprechenden Teil der Sicherungsrechte freigeben.
- 8.2. Während des Bestehens des Eigentumsvorbehalts ist dem Käufer eine Verpfändung oder Sicherungsübereignung untersagt. Der Käufer ist berechtigt, die Vorbehaltsware im ordentlichen Geschäftsgang zu veräußern. Er tritt uns hiermit schon jetzt alle Forderungen ab, die ihm aus der Weiterveräußerung der Vorbehaltsware gegen Dritte erwachsen. Zur Einziehung dieser Forderungen ist der Käufer auch nach der Abtretung ermächtigt. Die Einzugsermächtigung ist jederzeit widerruflich.
- 8.3. Eine Verarbeitung oder Umbildung der Kaufsache durch den Käufer wird stets für LEHMANN vorgenommen. Wird die Kaufsache mit anderen, uns nicht gehörenden Gegenständen verarbeitet, so erwerben wir das Miteigentum an der neuen Sache im Verhältnis des Wertes der Kaufsache zu den anderen verarbeiteten Gegenständen zur Zeit der Verarbeitung.
- 8.4. Bei Pfändungen, Beschlagnahmen oder sonstigen Verfügungen oder Eingriffen Dritter hat der Käufer uns unverzüglich zu benachrichtigen.
- 8.5. Bei Pflichtverletzungen des Käufers, insbesondere bei Zahlungsverzug, sind wir nach erfolglosem Ablauf einer dem Käufer gesetzten angemessenen Frist zur Leistung zum Rücktritt und zur Rücknahme berechtigt; die gesetzlichen Bestimmungen über die Entbehrlichkeit einer Fristsetzung bleiben unberührt. Der Käufer ist zur Herausgabe verpflichtet.

9. Sachmängel

Für Sachmängel haften wir wie folgt:

- 9.1. Alle diejenigen Teile oder Lieferungen sind nach unserer Wahl unentgeltlich nachzubessern, neu zu liefern oder neu zu erbringen, die innerhalb der Verjährungsfrist einen Sachmangel aufweisen, sofern dessen Ursache bereits im Zeitpunkt des Gefahrüberganges vorlag.
- 9.2. Sachmängelansprüche verjähren in 12 Monaten. Dies gilt nicht in Fällen der Verletzung des Lebens, des Körpers oder der Gesundheit, bei einer vorsätzlichen oder grob fahrlässigen Pflichtverletzung und bei arglistigem Verschweigen eines Mangels.
- 9.3. Der Käufer hat Sachmängel unverzüglich, spätestens binnen 8 Tagen nach Empfang der verkauften Gegenstände schriftlich zu rügen.
- 9.4. Bei Mängelrügen dürfen Zahlungen des Käufers in einem Umfang zurückgehalten werden, die in einem angemessenen Verhältnis zu den aufgetretenen Sachmängeln stehen. Der Käufer kann Zahlungen nur zurückhalten, wenn eine Mängelrüge geltend gemacht wird, über deren Berechtigung kein Zweifel bestehen kann. Erfolgte die Mängelrüge zu Unrecht, sind wir berechtigt, die uns entstandenen Aufwendungen vom Käufer ersetzt zu verlangen.
- 9.5. Zunächst ist LEHMANN Gelegenheit zur Nacherfüllung innerhalb angemessener Frist zu gewähren. Schlägt die Nacherfüllung fehl, kann der Käufer - unbeschadet etwaiger Schadensersatzansprüche gem. Ziffer 10. - vom Vertrag zurücktreten oder die Vergütung mindern.
- 9.6. Mängelansprüche bestehen nicht bei nur unerheblicher Abweichung von der vereinbarten Beschaffenheit, bei nur unerheblicher Beeinträchtigung der Brauchbarkeit, bei natürlicher Abnutzung oder Schäden, die nach dem Gefahrübergang infolge fehlerhafter oder nachlässiger Behandlung, übermäßiger Beanspruchung, ungeeigneter Betriebsmittel oder aufgrund besonderer äußerer Einflüsse entstehen, die nach dem Vertrag nicht vorausgesetzt sind. Werden vom Käufer oder Dritten unsachgemäß Änderungen oder Instandsetzungsarbeiten vorgenommen, so bestehen für diese und die daraus entstehenden Folgen ebenfalls keine Mängelansprüche.
- 9.7. Ansprüche des Käufers wegen der zum Zwecke der Nacherfüllung erforderlichen Aufwendungen, insbesondere Transport-, Wege-, Arbeits- und Materialkosten sind ausgeschlossen, soweit die Aufwendungen sich erhöhen, weil der Gegenstand der Lieferung nachträglich an einen anderen Ort als die Niederlassung des Käufers verbracht worden ist, es sei denn, die Verbringung entspricht seinem bestimmungsgemäßen Gebrauch.
- 9.8. Rückgriffsansprüche des Käufers gegen den Verkäufer gem. § 478 BGB bestehen nur insoweit, als der Käufer mit seinem Abnehmer keine über die gesetzlichen Mängelansprüche hinausgehenden Vereinbarungen getroffen hat.
- 9.9. Für Schadensersatzansprüche gilt im übrigen Ziffer 10. Weitergehende oder andere als die hier geregelten Ansprüche des Käufers gegen LEHMANN und deren Erfüllungsgehilfen wegen eines Mangels sind ausgeschlossen.

10. Allgemeine Haftungsbegrenzungen

Wir haften nicht für Schäden, die wir, ein gesetzlicher Vertreter oder Erfüllungsgehilfe durch einfache Fahrlässigkeit verursacht haben. Dies gilt ohne Rücksicht auf die Rechtsnatur des geltend gemachten Anspruchs, insbesondere aus Verzug, sonstiger Pflichtverletzung oder unerlaubter Handlung. Diese Haftungsbeschränkung gilt nicht für Schäden aus der Verletzung des Lebens, des Körpers oder der Gesundheit und aus der Verletzung wesentlicher Vertragspflichten.

11. Erfüllungsort und Gerichtsstand

Als Erfüllungsort für die aus den Geschäften sich ergebenden Verbindlichkeiten, sowohl hinsichtlich der Lieferung wie auch Zahlung, gilt Minden/Westfalen als vereinbart. Gerichtsstand für beide Teile ist ohne Rücksicht auf die Höhe des Streitgegenstandes Minden/Westfalen.

12. Anzuwendendes Recht

Für die Rechtsbeziehungen im Zusammenhang mit diesem Vertrag gilt ausschließlich deutsches materielles Recht.

13. Unwirksamkeit von Klauseln

Sollten einzelne der vorstehenden Klauseln unwirksam sein oder werden, so sollen an die Stelle der unwirksamen Bedingungen solche Regelungen treten, die dem wirtschaftlichen Zweck der Bedingungen unter angemessener Wahrung der beiderseitigen Interessen am nächsten kommen.

Stand September 2003

Normen und Richtlinien

EN 16014

Möbelschlösser und Beschläge – Möbelschlösser – Anforderungen und Prüfungen

LEHMANN Möbelschlösser und Beschläge werden nach DIN EN 16014 (Möbelschlösser und Beschläge - Anforderungen und Prüfungen) vom Normenausschuss Holzwirtschaft und Möbel (NHM) im DIN gefertigt.

LEHMANN Möbelschlösser und Beschläge werden Intern nach DIN EN 16014 überwacht.

RoHS (EU-Richtlinie 2002/95/EG vom 27.01.2003)

Die von LEHMANN gelieferten Materialien und Produkte entsprechen den Anforderungen der RoHS (EU-Richtlinie 2002/95/EG vom 27.01.2003)

Folgende Stoffe sind nicht oder maximal in nach RoHS erlaubten Konzentrationen enthalten.

- Blei, Bleiverbindungen und -legierungen
- Cadmium, Cadmiumverbindungen und -legierungen
- Quecksilber, Quecksilberverbindungen und -legierungen
- Sechswertiges Chrom
- Polybromiertes Biphenyl (PBB) und polybromiertes Diphenylether (PBDE)

Diese Bestätigung gilt nach heutigem Stand September 2012 und aktuellen Anforderungen auch für zukünftige zu liefernde Materialien und Produkte.

REACH- Verordnung Nr. 1907/2006(EG)

REACH steht für **R**egistration, **E**valuation, **A**uthorisation and **R**estriction of **C**hemicals; also für die Registrierung, Bewertung, Zulassung und Beschränkung von Chemikalien. Es handelt sich dabei um eine EU-Chemikalienverordnung, die am 1. Juni 2007 in Kraft getreten ist.

LEHMANN ist im Sinne der **REACH-Verordnung 1907/2006(EG)** als Schloss- und Beschlaghersteller ein **nachgeschalteter Anwender**. Die Vorregistrierung sowie die anschließende Registrierung der von uns verwendeten Rohstoffe und Substanzen obliegt den Herstellern bzw. Importeuren, also unseren Lieferanten.

Unserer Verpflichtung zur Kommunikation in der Lieferkette kommen wir als nachgeschalteter Anwender in vollem Umfang nach. Für die von uns verarbeiteten Stoffe werden **Sicherheitsdatenblätter** geführt. Ein **REACH-Beauftragter** ist benannt.

Polyzyklische Aromatische Kohlenwasserstoffe (PAK)

Die von uns angebotenen Artikel und Bauteile mit einer Relevanz bezüglich einer PAK-Belastung der eingesetzten Farbkonzentrate entsprechen den Vorgaben

- der GefStoffV, Anhang IV Nr. 28 (Polyzyklische aromatische Kohlenwasserstoffe PAK) vom 23.12.04
- den Vorgaben der GS-Zeichenvergabe ab dem 01.04.2008 (min. Kategorie 2).
